# A TREATMENT FOR NERVES

Woman Tells How Lydia E. Pinkham's Vegetable Compound Helped Her.

West Danby, N. Y.—"I have had nervous trouble all my life until I took International Lydia E. Pinkham's

Vegetable Comound for nerves and for female troules and it straightned me out in good hape. I work nearly all the time, as we live on a farm and I have four girls. I do all my sewing and other work with their help, so it

shows that I stand it real well. I took the Compound when my ten year old daughter came and it helped me a lot. I keep it in the house all the time and recommend it."—Mrs. DEWITT SINCE-BAUGH, West Danby, N. Y.

Sleeplessness, nervousness, irritabil-ity, backache, headaches, dragging sensations, all point to female derangements which may be overcome by Lydia E. Pinkham's Vegetable Compound.

This famous remedy, the medicinal ingredients of which are derived from choice roots and herbs, has for forty years proved to be a most valuable tonic

and invigorator of the female organism

For the work which the committee has mapped out for the coming year approximately \$500 will be needed, this of course including the expense of the recent celebration. The biggest item of expense will be the erection of the roll of honor which will be located in the enclosed space of the roll of honor which will be located in the enclosed space of the southeasterly end of the court house building. The roll of honor will face down Broadway and it is planned to have it illuminated. A roll of honor of most attractive design has been selected by the committee and it will entail a cost of approximately \$300. It will contain the name of every Norwich man in the service all entail a cost of approximately \$300. It will contain the name of every Norwich man in the service, all branches included, and the letters will be an inch and a half or two inches in height. Along with his name will appear the branch of the service in which he is enlisted and there will be provision made for later additions such as honorably discharged, etc. It is estimated that the erection of bulletin boards in various parts of the town will mean an expenditure of a hundred dollars. These are to contain bulletins on matters of interest to every patriotic man, woman and child in the state.
